PLANS FOR 2016-17

If family and community donors help us reach our goal to raise \$400,000 by June 30, 2016, MEF will be able to continue these outstanding programs in the 2016-17 school year, with a tentative goal to enable to district to hire a second shared elementary school music teacher and to improve other low-funded programs district-wide.

WHY DO OUR SCHOOLS NEED MEF?

The Millbrae Elementary School District (TK-8th) is funded by the State of California to provide basic education to our students. Millbrae Education Foundation donors help bridge the wide gap between state funding and the robust 21st century education our students require as future leaders and innovators. Donations made in 2015-16 fund programs for 2016-17.

WE ARE STRONGER TOGETHER!

The Millbrae Education Foundation (MEF) and each school’s Parent-Teacher Association (PTA) work together to improve education in all 5 of Millbrae’s public schools. MEF donors fund vital programs and staff shared among our schools, while PTAs provide school-specific supplies, field trips, class parties, and assemblies.

MEF holds 2 major fundraisers to support these programs: Donation Days/Walk-a-Thon at the beginning of the school year, and **Silicon Valley Gives/MEF Night Out in May**. Without MEF, our district cannot fully fund our schools’ music and technology programs!

Please consider becoming a monthly donor, and join us all around Millbrae on May 3, 2016 for a huge city-wide event! Save the date! More information available at **MillbraeKids.org**.
