"Our kids, Our choice, Our future"

Dear Community Business Owner,

The **Millbrae Education Foundation (MEF)** was founded in 2008 to **sustain and enhance exceptional public education** for all TK-8th grade students within Millbrae Elementary School District.

For the past ten years, MEF has funded music and technology programming for our five schools. Despite the fact that our school district is currently the lowest-funded elementary district in San Mateo County, our schools have consistently performed well, thanks to phenomenal teachers, great District leadership, and a sea of parent volunteers. Now, with your help, we want to do more, ensuring that ALL Millbrae students have access to the very best, most enriching education we can provide.

This year, for the first time, and in honor of our 10th Anniversary Year, MEF will host its inaugural Gala to Benefit Millbrae Kids. The Gala will be held on Saturday, February 24, 2018. We want to invite you and your business to partner with us in bringing more educational programs to all Millbrae schools and students. This can help bridge the current gap between state and federal funding and the cost of the enriching, exciting, and equitable education that Millbrae students deserve.

Please consider sponsoring MEF, which is a 501(c)(3) non-profit organization run entirely by parent volunteers, with more than 95% of funds raised going directly to school programming. Any monetary donation, items, and/or services from you and your business will directly impact our children and our schools. Thank you in advance for your generous support of the educational advancement of Millbrae Kids!

If you have any questions, please feel free to contact us.

Sincerely,

Maura LeBaron-Hsieh
